Dear Regional Board,

This is email 1/2 submitted on behalf of Poseidon Resources Corporation regarding supplemental materials which support Balletto's Statement Regarding Compensatory Mortality.

On behalf of Poseidon Resources Corporation, we are supplementing our submittal from this morning (regarding Agenda Item - 13) with the attached supplemental materials, which support Balletto's Statement Regarding Compensatory Mortality. As the supplemental materials are too large to include in one email, I will be sending the supplemental materials supporting Balletto's statement on compensatory mortality in two separate emails, this one and one to follow. The attached supplemental materials are copies of references cited by Balletto in his statement on compensatory mortality. As before, we request that you please place the attachments in this email and the following email, both possessing attachments supporting Balletto's statement on compensatory mortality, in the administrative record.

Thank you,

John C Raney
